Matt

Will get you deposition notices tomorrow

I do not know what you mean about the type of questions I will ask in the deposition. I plan on asking questions designed to lock in facts that are relevant to the elements of Ms. Beach's claims against Costco

Thanks.

Ben:

I am still waiting on the deposition notices for the corporate representative and Mr. Barney. I expect we may have objections to some of the proposed topics. Also, please confirm you will not employ "Reptile Theory" tactics at any time during either deposition. Otherwise, I will need to file a Motion for Protective Order.
